## HOW TO CHANGE YOUR PRIMARY CARE PROVIDER OR CLINIC

You can change your primary care provider or clinic anytime by calling your health plan member services using the phone number on your health plan member identification card. If you change providers, keep using the one listed on your current health plan card until you get a card in the mail showing your new choice.

For a list of the primary care providers that are part of your health plan, refer to the health plan's provider directory. You can access it by visiting the following website and then clicking on "Health Plan Provider Directories:" <https://mn.gov/dhs/health-plan-selection/>.

## IF YOU DO NOT WANT TO CHANGE YOUR PRIMARY CARE PROVIDER OR CLINIC, YOU DO NOT NEED TO DO ANYTHING.

Information about covered services is included with this notice.  
If you have questions, call MANAGED CARE UNIT at 218-327-2941.

Members who are eligible to change their primary care providers or clinic are:
