Meetings	10 a.m. to noon on the fourth Friday of the month, in conjunction with SQC meetings, at 444 Lafayette Road, St. Paul
Mission statement	Develop brief and person-centered quality-review tools and process that regional quality councils can use. Continue to evaluate and improve these tools and process.
Values	<ul style="list-style-type: none"> • Five valued experiences: Choice, respect, contributing, relationships, community and valued social roles • Keep it simple
2017 goals	<ul style="list-style-type: none"> • Deliver usable tools and process • Monitor results and look for opportunities for improvement in the tools and process • Have a process for tool/process evaluation that can be replicated as the number of RQCs grows.
2017 activities	<ul style="list-style-type: none"> • Provide input to centralized training for staff of RQCs and to the training approach • Determine whether to pursue having a cohort of those interviewed (brief) participate in a longitudinal study • Regularly check in with RQCs about the utility/effectiveness of the tools and process • Support the RQCs, as requested, with development of educational materials about the tools and person-centered principals for program participants, providers, lead agencies, guardians, et al. • Develop monitoring systems to ensure consistency of administration <ul style="list-style-type: none"> ○ Determine what data to analyze and how to use that
