

## State Quality Council

### Fun with numbers work group description

<b>Work Group</b>	Quality Monitoring
<b>Work Group Tagline</b>	Fun with numbers
<b>Chair(s)</b>	Sarah Thorson
<b>Members</b>	Peggy Crolick, Nicole Stockert, Samantha Drost, Alice Hulbert, Steve Larson, Odi Akosionu (staff), Lisa Harrison-Hadler, Brent Krocak, Beth Pierce, Kerri Leucuta
<b>Mission</b>	The mission of the Quality Monitoring group is to quantify the quality of services in Minnesota, provide baseline and trend information, identify “red flags”, gaps in services as well as data, and measure improvement.
<b>Values</b>	<ul style="list-style-type: none"> <li>• Person-centeredness – the belief that data tell the story of people’s experiences</li> <li>• Inclusivity – we are here to monitor the quality of services for everyone from a variety of perspectives</li> <li>• Make use of existing measures</li> <li>• Use data that is as current as possible.</li> </ul>
<b>Goals</b>	Identify measures for each of the quality indicators
<b>In Scope</b>	Consolidation of existing data. Make recommendations to the SQC for potential areas for improvement based on the information we gather.
<b>Out of Scope</b>	Establishing improvement priorities
<b>Activities</b>	See goals
<b>Relation to Quality Indicators</b>	All of them
<b>Meetings</b>	Friday of the full SQC meeting from 11 until 12:30 at 444 Lafayette
