

# Simplified Supportive Housing Working Group meeting

June 16, 2025, 12:00 – 2:30 pm

## Objectives

- Review and discuss individual journey map findings, highlighting pain points
- Update on the provider journey map process and who to gather data from
- Review prioritized areas for exploration to identify subcommittee work moving forward
- Discuss a process for writing recommendations

## Agenda

### **Welcome**

We will warm up, review our agenda and have a brief conversation about how best to engage all group members, understanding that capacity is limited for everyone.

### **Individual journey map**

This subcommittee will share some flowcharts that represent individual journeys through the process and invite your feedback.

### **Break**

### **Provider journey map**

This subcommittee will provide an update on their process and discuss how to disperse the survey and gather data.

### **Additional exploration and engagement**

We will review priority areas for exploration, organized according to our discussion at the last working group meeting. We will discuss who can form subcommittees to explore each area.

### **Process for writing recommendations**

We will share a proposed process and invite your feedback.
