Reminder: Response needed by April 30, 2017

Dear home and community-based services (HCBS) adult day and customized living providers:

If you provide services to people whose services are funded by a waiver – Alternative Care (AC), Brain Injury (BI), Community Alternative Care (CAC), Community Access for Disability Inclusion (CADI), Developmental Disabilities (DD) or Elderly Waiver (EW) – **you must complete an [online provider attestation \(DHS-7176\) \(PDF\)](#) by April 30, 2017.**

You will be able to log back into your attestation form and continue to update the status of each service standard until all are marked compliant until Sept. 1, 2017. However, your initial attestation response is due April 30.

For more information:

- Visit the provider attestation section of the [Transition plan for home and community-based settings](#) web page (mn.gov/dhs/hcbs) for a guidebook to complete the attestation form.
- Listen to the recording from the [April 19, 2017, provider attestation webinar](#) and view the presentation handout.

Please forward this letter to the appropriate person in your agency. If you already submitted your attestation form for your site(s), you can disregard this letter.

DHS is committed to your success. Email your questions to hcbs.settings@state.mn.us. Together, we can continue to improve services for all Minnesotans.

Sincerely,

Aging and Adult Services and Disability Services divisions
