

Emergency Grants for Nursing Facilities' Staffing Shortages

December 10, 2021

The Minnesota Department of Human Services (DHS) is authorized to spend \$50,000,000 from the State Fiscal Relief Fund (ARPA) to administer emergency grants for nursing facilities' staffing shortages (Legislative COVID-19 Response Commission Action Order #8).

Nursing facilities agree to use at least 90 percent of the new funding received for hiring and retention bonuses to hire or retain existing employees.

DHS will allocate eligible funds across Medicaid certified nursing facilities in proportion to their number of reported Medicaid days on the annual Medicaid cost report for the period ending September 30, 2020.

Preliminary analysis estimates the emergency grants will be distributed to Medicaid Certified facilities as indicated in the following table. Final distribution amounts may be impacted by circumstances such as facilities filing an "Intent to Close Notice".

Preliminary Estimated Distributions

Facilities are in order alphabetically by county. Distribution is \$10.97 per Medicaid day.
