

Certified Recovery Residence Policy & Procedures Checklist

For Recovery Residence Operators in Minnesota

Purpose

This checklist is meant to be used as a tool for recovery residence operators who plan to become certified. This is not an exhaustive list of the policies each individual residence may choose to implement. Any intended optional policies (camera policy, incident reporting policy, etc.) also need to be submitted to DHS. Please email BHA staff at recovery_supports_bha.dhs@state.mn.us with any specific questions about your program and policies.
