

## **Members Recommendations on 48-hour Rule Requirement**

### **Progressive Timeline and Money Necessary to Get There**

- Leave 48 hours

### **Support Services/Prisons Accredited**

- Front line workers cell/cred busted?
- Psych Res to corrections
- Modify 48-hour rule

### **Focus on 3-day active engagement of priority admission team**

- Assessment of priority--periodic notices

### **Get Rid of 48-Hour Rule Timeline- TBD with Assessment and Treatment Progress**

- Start treatment in jail (DCT?)
- Successful treatment in jail
  - Dred (?) give it results

### **Suspend 48-hour Time for 3 years with Quarterly Reports**

- Treatment in jail by CCBHCs

### **Set an Aspirational Goal**

- Set by Legislature/ DCT
- Add beds and better care

### **Keep Timeline Extend- Invest in Capacity**

### **Keep Timeline- Measure Time to Appropriate Level of Treatment- Support Treatment in Jail akin to Outpatient Services**

- Quarterly report to legislature on DCT (48 hours with additional bed? Actual Time?)
- Investment in DCT establishes trust

### **Keep Medically Appropriate Bed Language**

- Especially because of new definition of priority admission

### **Get Rid of 48-Hour Rule Timeline**

Quarterly Report & Panel
