Annual Health Plan Selection (AHPS) Notice

The health plan choices for Minnesota Senior Care Plus (MSC+) in your county will change effective January 01, 2025.

South Country Health Alliance (SCHA) is no longer available in your county. Blue Plus is the only health plan available to you next year.

You are currently enrolled in MSC+. You have the option to enroll in MSHO. To learn about your program options keep reading.

What MSC+ does:

- You get Medicare Parts A and B services through Original Medicare and prescription drugs through a separate Medicare Part D plan.
- Call Blue Plus member services at 800-711-9862, TTY 711 if you have questions about primary care providers or clinics available to you.
- You can also find a list of providers that are part of your health plan at: <https://mn.gov/dhs/health-plan-selection/>. Click on "Health Plan Provider Directory."

IF YOU WANT TO REMAIN ENROLLED IN MSC+ YOU DO NOT NEED TO DO ANYTHING WITH THIS LETTER.

You have another choice:

Minnesota Senior Health Options (MSHO)

What is MSHO?

- You would get your Medicare and Medical Assistance health care services coordinated through the same health plan.
- You would have access to a care coordinator to help you plan your care.
- You would get additional benefits that are not available through regular Medical Assistance.
- There are no additional costs for enrolling.
- **If you want to enroll into MSHO, you will need to complete a separate enrollment form and return it to the health plan by December 02, 2024. Use the MSHO health plan contact information in this letter to contact the health plan that is available to you and request an enrollment form.**
- **If you have questions about MSHO, contact the Senior LinkAge Line at 800-333-2433 (this call is free).**
