Annual Health Plan Selection (AHPS) Notice

Dear JANE I PUBLIC,

You are currently enrolled in MEDICA non-integrated Special Needs BasicCare (SNBC). You are eligible to change your health plan for January 01, 2024 as part of Annual Health Plan Selection (AHPS). **If you want to keep your current health plan, do nothing with this notice.** If you want to change your non-integrated SNBC health plan, change to integrated SNBC, or opt out of SNBC and keep Medical Assistance (MA) fee for service, continue reading.

Non-integrated SNBC is a voluntary managed care program. You receive your Medical Assistance benefits through a health plan separate from your Medicare benefits. Information on your SNBC choices is as follows.

If there are other members of your household enrolled in Minnesota Health Care Programs, they will receive a separate AHPS Notice.
