

FCCTF reimbursement policy revision

Motion: The Family Child Care Task Force adopt the Revised Standards for Qualifying for Per Diem Payments as printed in this attachment [and as amended by the Task Force, if applicable] and that the Revised Standards be effective retroactively to August 1, 2020.

Proposed update (updates highlighted in red)

Family Child Care Task Force **Revised** Standards for Qualifying for Per Diem Payments and for Child Care Reimbursement for the purposes of Minnesota Statutes, section 15.059, subdivision 3: a) **a day on which a Task Force member attends a Task Force meeting or a sub-group meeting** constitutes a day spent on Task Force activities, for purposes of making daily 'per diem' payments to members of the Task Force. b) the Task Force authorizes the reimbursement of reasonable child care expenses that Task Force members incur as a result of time spent attending Task Force meetings **or sub-group meetings**, that the members would not have otherwise incurred. In this case, 'time spent attending Task Force meetings' includes time spent traveling to and from the meeting location.

***Please note** business expenses (e.g., hiring a substitute) are not reimbursable as these expenses are not listed in the statute (Minnesota Statutes 15.059).
