<p>Discussion on projects for 2024-2025</p>	<ul style="list-style-type: none"> • Areas of interest to focus? • How can we align with Hennepin County's Child Protection work being done? • What have been themes from the Collaborative Safety Model meetings? How do we track these after attending and sharing out information about the systems' response for those unable to attend? • What information do you need? Any data requests to support the work or identify projects?
<p>Collaborative Safety</p>	<ul style="list-style-type: none"> • Collaborative Safety: Engagement for us being able to find volunteers that will be a collaboration between the Hennepin side and member of the panel - once we have finished recruiting. • Assist in finding systemic factors involved in decisions on a case. • The training for this has not been finalized - there are YouTube trainings and as of now but will be working on it

	<p>further once we are don with the recruitment piece.</p> <ul style="list-style-type: none"> • And we need to figure out the role of the Panel member whether a champion or a peer reviewer. • Collaborative Safety does not audit cases such as AAFP program. • The Collaborative Safety Model is specific to Hennepin County; if members agree there can be training as a safety trainer to become a peer reviewer, review cases with Kimette, mapping of cases. • A good goal is to get folks the training and bring the Lense of the community back to assist us in looking at cases from different light.
